"WE DON'T NEED NO MEGAPHONE, DO-DA!"
The Bad Bus Boys (and company) cheer on the men's soccer team at the Homecoming game.

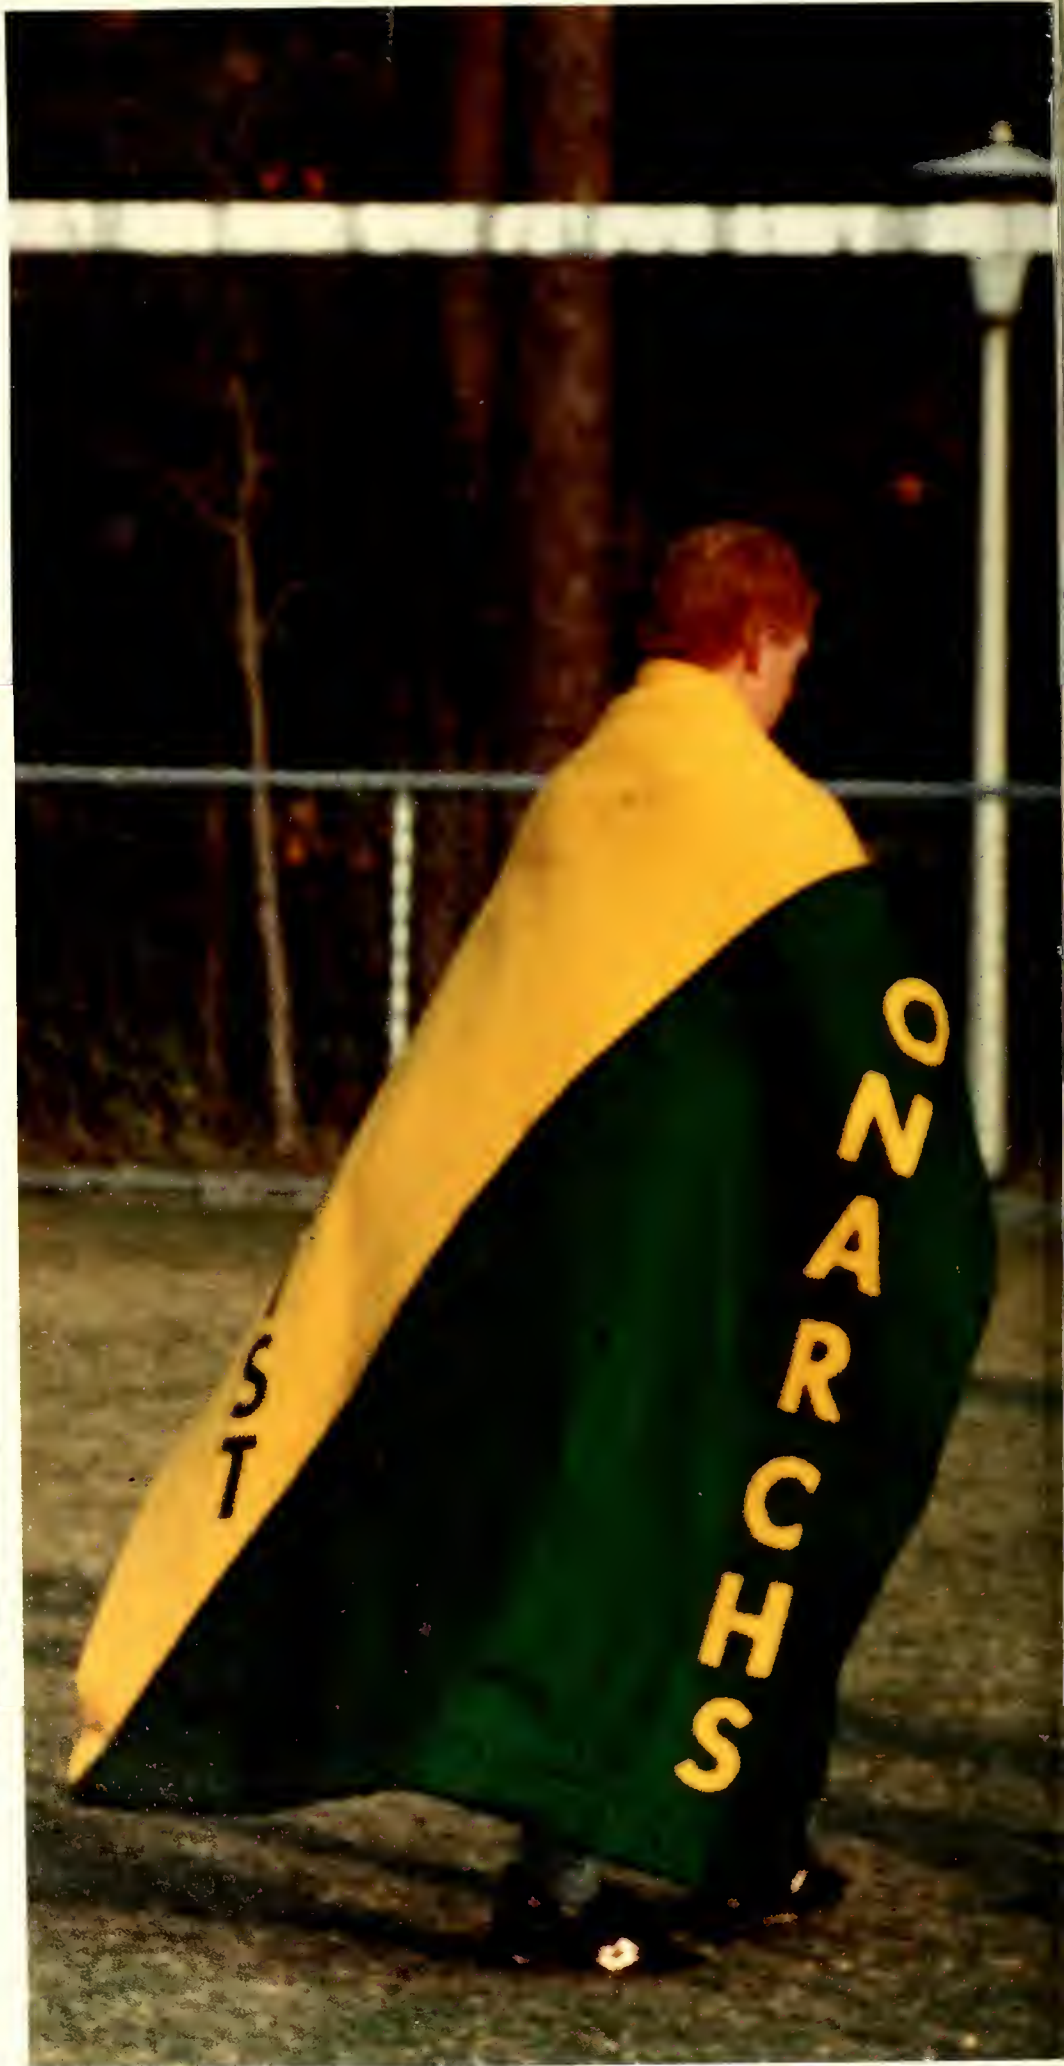

TRUE COLORS

Senior Finbarr Clancy shows off the MC colors after the men's soccer victory against Maryville.

THE AGONY OF DEFEAT

Two of MC's many injured athletes, Bobby Blanco (#69) and James Justice (#75), hobble across the battle-scarred football field.

THE THRILL OF VICTORY

Brit Morton (#46) gets a hug from his mom as his brother looks on. Note the scoreboard in the back — 18-6 — the first football victory in Methodist College history.

TAILGATE PARTY

Donna King, Ross Sanderlin, Paul Knight, Bryan May, and Amy Lucas watch the game from the relative safety and comfort of the Student Union parking lot.

MC Athletic Teams: Flying High

CAMPUS LIFE

Methodist College athletic teams soared this year, and MC students turned out to support their teams. No matter how bad the situation seemed or how many knees were injured, MC athletes could depend on their fans.

The ever-faithful Bad Bus crew entertained soccer crowds with their bawdy cheers yet again this year. The Bad Bus boys are nearly extinct, with most of them having already graduated or graduating this year. With them go the Lads — MC's own bad boys of soccer. Methodist soccer will never quite be the same without them.

Monarch Football won its first ever NCAA Division III game this year. We laughed, we cried, we danced, we screamed — the curse had been broken. Although the team only won one other game this year, they'd reached a point of no return. MC Football is on the move, com-

plete with its entourage of tumbling cheerleaders and adoring fans.

Attracting less attention but soaring to greater heights were the MC women's teams. MC women's soccer made the NCAA Division III Final Four for the third year in a row. MC basketball's Lady Monarchs won the DIAC Conference Championship. MC Volleyball was runner-up in the DIAC Conference Tournament.

MC fans are just as rough and rowdy as MC athletes. Chillin' on the tailgate or illin' on the Bad Bus, jumping with joy or hobbling with humility, campus life wouldn't be what it is without MC athletics. If you can't be an athlete, be an athletic supporter!

JUST HANGIN' AROUND

New student Freddie Ferguson will do anything for a friend, including bending over backwards (or up-side down even)!

CAMPUS LIFE

And when they're not playing sports, they're . . .

dancing, hanging around, laughing, playing pool, eating, watching TV, anything to

postpone the thing college students dread most (even more than receiving their

college bills): STUDYING. This year students made themselves heard on several

issues: against the 12-point grading policy, to keep the yearbook, and about the

limited hours during which we could eat at our illustrious dining hall. We got the

A+, a yearbook, and transfer meals. Has the situation improved? Who knows? But

in this decade of change, remember: we are the voice of the future, and we can make

a difference.

BREAK A LEG!

Pam Phillips wasn't expecting the old stage wish to come true — all she wanted to do was graduate. And graduate she did, cast and all, on Friday, the 13th of December.

MAY I HAVE THIS DANCE?

Medina Jones and Scottie McIver skip the light fandango at January's "Welcome Back" dance.

MAKE-UP!

Before escaping from Methodist by the *Skin of Her Teeth*, December graduate Mindy Harden cools out in the dressing room with buddy Jeannie Denman.

The seasons of campus life can be unpredictable. Fayetteville boasts dramatic weather changes, from 56° one day to 80° the next, but the adaptable MC student never packs anything away and can pull out a sweater or shorts to go with the mood of the day.

That undefinable entity named school spirit got a major boost this year with an all time high of 28 cheerleaders! You've seen them, heard them, and admired them. They've given MC yet another athletic honor by being ranked fifth in the nation.

A feast for champions! Rob Pilweski and Coach Conley bask in glory at a reception, held at the Governor's mansion, which honored the North Carolina teams that were national winners in 1991. Thanks, Rob, for taking Methodist College there!

Who says campus life is boring? Spending time with friends can be the most invigorating aspect of the day. Cedric, Ernest, Eric, Frankie, Edgar, Derrick, Mike, Marec, Amiri, Terrah, and Edwin take time out to enjoy college life.

Ellen Westcoat, soccer maestro, shows her fancy footwork on the dance floor as well. The Back-to-School dance is an event not to be missed! Like the other functions sponsored by SAC, dances are great for meeting new people, socializing, and relaxing.

Caught, but never off guard, Richard French seems always ready for the flash of the camera. His signature outlook on life makes us wonder what he knows that we don't.

MONARCH PRIDE

Not only is this a great college, but where else can you find such intoxicating beauty, easy companionship, and aspiring intellect?

REGISTRATION

"Welcome Back to School" Time at Methodist College

August: heat & sun. January: cold & wind. Back to school time!! On August 20, 1991 and January 22, 1992 hundreds of new and old students converged on Methodist College, some for the first time and some, those lucky seniors, for the last time. Of course it must be registration day!!!

This is a famous day of waiting in lines to take those great looking ID pictures, catching up with old friends, making new friends, and finding out what exciting things are happening on MC's campus. Registration gives new students a chance to view the college experience in a not-so-horrifying way. It also gives seniors a chance to realize that this will be their year to triumph.

Last year Methodist had 914 full time day students come to school here, as compared to the 903 students who were here the year before. For that new student, registration also affords the chance to check for dust bunnies in the mailbox and possibly get something to eat in the Lion's Den. Registration can turn into a fun experience!! Look at the people on these pages — they're so excited to be here. When you're done with the registration thing, just think of the video games, pool, or ping-pong you could play!! Have fun!!

Did you have a nice vacation before school? Senior Mary Creech can hardly stand to hold back her happiness. Look at this smiling face!! Doesn't she look totally excited to be back at Methodist College for that all-important registration day? Majoring in Economics and Business Administration, she hails from Linden, NC. She looks so joyful because soon she will be leaving these hallowed honeycombs of Methodist to join the real world. That grin shows us how glad she is.

Bill Crawford and Ed Kinard gear up for the year at registration. The Student Club for Exceptional Children focuses on training students to become professional teachers and on promoting awareness of the special needs of exceptional persons.

Who is that man with the glasses? Why it's the one, the only, Dr. Hendricks, MC's wonderful president. Rich Pope is smiling at him and is enjoying this great registration day. Who would have known that he'd be greeted by the president today?

Look at his happy face!! Jeff Alton is just loving history, he knows that this is possibly the last time at Methodist that he will have to fill out all the registration forms. Have a great life, Jeff!!

Study the concentration on Stephanie Davisson's face: determined to get what she's after. She is a senior Music major. She must be thinking about what is ahead of her this year with that intense look on her face. Being a senior gives her great joy.

Lorie Sanuita — look at that thrilled face!! Don't look so excited, Snoopy! She is a senior psychology major who is active in theatre and sports: what a well-rounded person. This registration is important to her because it is her last one at Methodist!!

Also returning are Chong Yong, a senior who's originally from Korea but now lives in Fayetteville, Ae Kyoung Yun from Seoul, Korea, and Young Clopton, Chong's sister. These three are just part of the diverse international population at Methodist.

Kristie Price enjoys her first Monarch Homecoming as a cheerleader.

Jamie McMillan, #10, opts for the Quarterback-Sneak through the b-i-i-g hole created by the offensive line.

Cheerleaders (clockwise from left) Trisha Stem, Stephanie Thompson, Sherri Wells, Brian Ebert, Karen Rafferty, and Sandy Stevens are freakin' at halftime. Notice the referees with their backs turned — same thing happened during the game, didn't it?

Talk about Monarch spirit! Lorie Sanuita's colors are right on time.

Celebrating Monarch Spirit

HOMECOMING '91

The entire weekend was busy. Soccer games, theatre productions, alumni luncheons, the dedication of the Berns Student Center, the football game, and the dance all provided the students, faculty, alumni, and their families with lasting homecoming memories.

Although the Methodist football team lost its homecoming game to Bridgewater, this day was marked with an incredible amount of Monarch spirit. Not only did students participate in this event, but the participation went above and beyond the call of duty (see top right).

Excitement increased when the Homecoming Court was announced as part of the half-time festivities (bottom left, opposite page). Students were quick to praise the incredible job done by Student Affairs in preparing the Student Union for the dance.

"Those preparations paid off with the best dance during my tenure here," said Katherine Byrne, Homecoming Queen.

When the Homecoming King and Queen were finally announced, the students could hardly stand it. Instead of waiting for the M.C. to announce the queen, everyone yelled out Katherine's name — bringing down the house. She was escorted by none other than Todd "The Stud" Pope, who somehow managed to calm her down enough to keep her from fainting.

FINE ARTS

"COMEDY TONIGHT!" sings the cast of *A Funny Thing Happened on the Way to the Forum*.

SISTERS ARE FOREVER. During Cheryl Quick's Art Show, her sister awed an audience of her own while playing the flute.

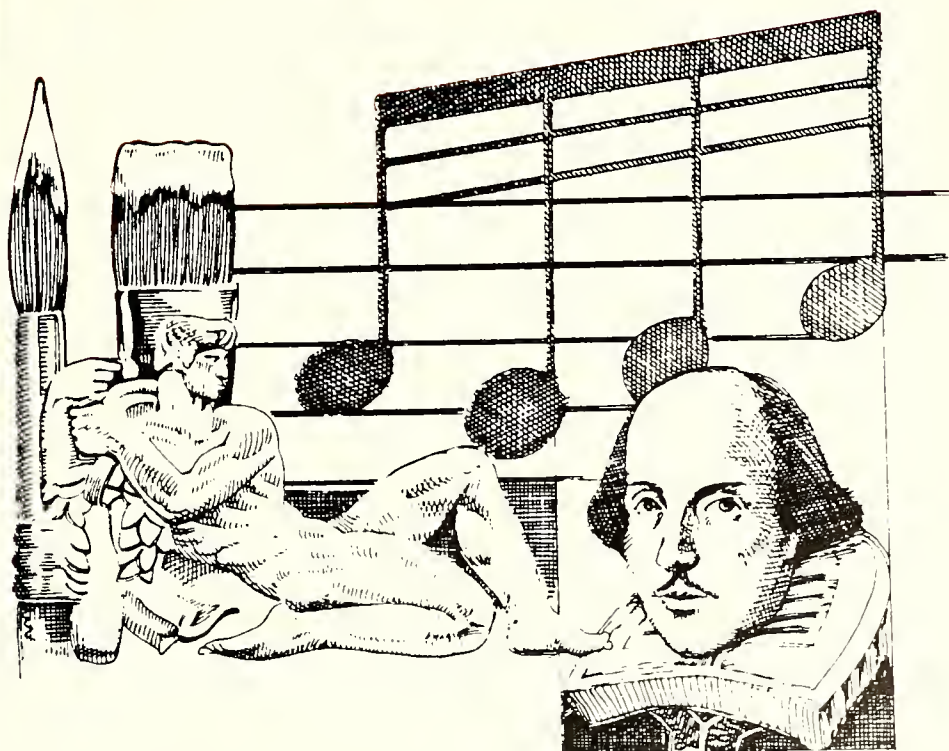

"WHY ME?"
asks Jeannie Denman, who finds herself trapped in the dressing room insanity of *The Skin of Our Teeth*.

"MOZART ANYONE?"
As a tribute to the great composer, Mozart's *Requiem* was performed in Reeves during the month of December and combined the talents of students, faculty, staff, and college friends.

ALL DRESSED UP WITH NO PLACE TO GO!
The Methodist College Circuit Players donned fairy tale garb to perform at the Second Annual Autumn Harvest Festival. Featured are Jennifer Seamon, Amy Currie, Menlinda Harden, Nicole deKoning, Christopher Laning, Brian Smallwood, and Lorie Sanuita.

Remembering those . . .

FACES & PLACES

Not only is this a great college, thanks to Show-You-Care Day and our wonderful maintenance staff, its scenically beautiful as well. It's not surprising that Methodist is asked to host many community events.

Reeves Auditorium is chosen as the site for many community events, including fashion shows, concerts, and pageants. The Mallet-Rogers house hosts art shows and concerts, as well as some dramatic events, such as the Chekhov comedies held there in April.

For those not into the arts, the campus also boasts a nature trail featuring a waterfall and a brook which empties into the Cape Fear River (not to mention a few golf balls with minds of their own). The trails are a nice place to jog, to admire nature, to picnic, or just to veg out.

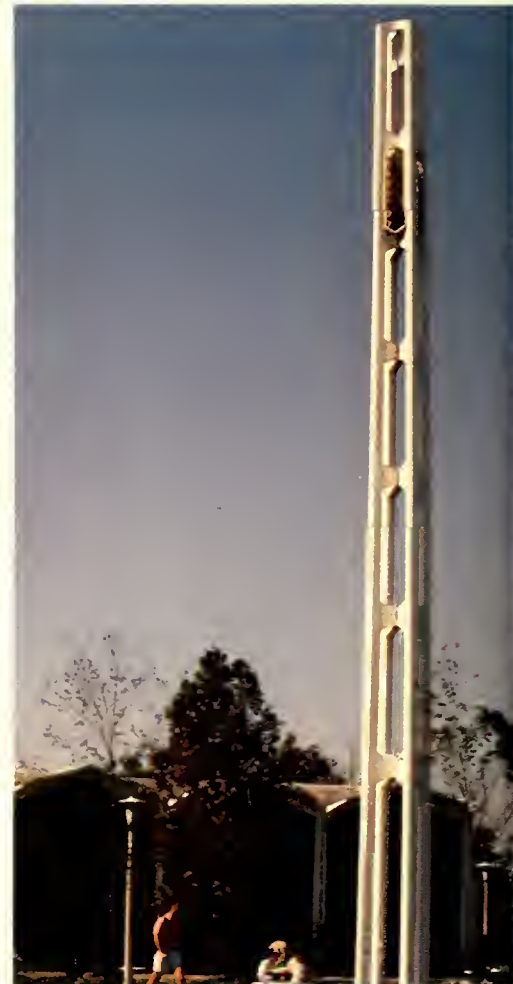

Although the places at Methodist stay about the same, the faces are ever-changing. Methodist students are from as nearby as Kinwood to as far away as Mauritius (it's an island off the coast of Africa). Professors at MC are also fairly well travelled, with some from Cumberland County and others from Europe or South America.

Despite the diversity among the persons who live, study, and work here, it is a close community. One is as likely to find a freshman who's a 40-year-old vet as to find an 18-year-old high school grad, and as likely to meet a soldier as to meet an athlete.

"HERE, TRY THIS ONE ON FOR SIZE"
Tracy Maness and Chip Collins, both tennis players, laugh together as they try on class rings in the Student Union.

HAVEN'T WE SEEN THIS THING BEFORE?
Yes, it's our very own Bell Tower, featured in every yearbook ever made. Need we say more?

RECRUITING A LITTLE EARLY NOW COACH?
Coach Alan Dawson and son Alec socialize by the soccer field. We've heard of early recruiting, but isn't 18 months just a little *too* early?

HAIL TO THE CHIEF!
Everyone should be familiar with this face, which has seen four wars and lived to tell about them. (He has also worked in our esteemed Lion's Den, and has lived to tell about it, too!)

"I DRANK WHAT?"
asks a perplexed Dean Bitterbaum, who is as famous for his listening ear as he is notorious for his "bird tests."

CAUGHT in the ACT

"HOW DOES SHE DO THAT?"

Joe Myrtle looks to Danielle Miles for pointers at the "Welcome Back" dance.

"IS THE 'A' REALLY WORTH ALL THIS?"

Chris, Jeannie, and Lorie yet again make fools of themselves, this time literally.

"YOU DOWN WIT O.P.P.?"

Donna Combs, Willard Bloom, and Michelle Starnes answer, "Yeah, you know us!"

"YOU'LL NEVER BELIEVE WHAT I DID to get out of this place!" gloats Brenda Hair, clutching her diploma tightly.

"OUR SHORTS ARE STILL IN THE WASH, COACH?"

The Monarch volleyball team has to find some reason to whine.

"AM I BLUE ... ?"

Lady Monarchs play the Christopher Newport Lady Captains.

Kelly Cap, Marlea Jaynes, Sammy Hudson, and Sara Beechey all went wild at the back to school dance in the Student Union (Top Left) while Monarch Rob Pilewski "a transvestite from Transsexual Transylvania" encourages student participation at the Basketball Midnight Madness for their first night of practice. Looks like he picked up a date too!! (Top Right).

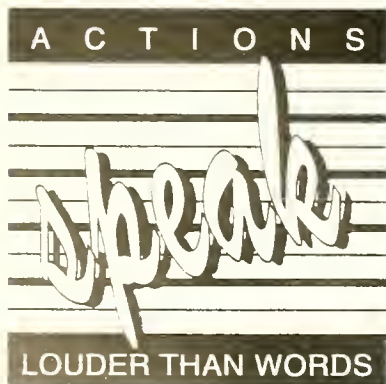

"Looking in your pants?", "Looking for a date?" — Karen Murphy, Ann Rawls, Rob Pilewski have all found some pretty resourceful uses for string at the lock in at the PAC (Bottom Left). In the meantime, Robyn Leff and coach Smith check out a newcomer at Methodist who is a little more than skin — perhaps they'll find him to be the perfect date (Bottom Right).

SHOW YOU CARE

Students, faculty, and staff get down and dirty on Saturday to give the lawn in front of the Administration Building a caring touch-up.

Every year for the annual Show You Care day, one part of campus is picked out and restored or beautified. This year, a new flower garden was built to adorn the Administration Building. In memory of alumni and others who died in military conflicts.

SPRING FLING

These students found a shady place to catch their breath during the exciting spring fling weekend.

Spring Fling, sponsored by SAC, provides a great get-away right here on campus. The FCA Scavenger Hunt kicked the weekend off on Thursday, then the obstacle course lived up to its name on Friday. Fun games and great entertainment filled the beautiful Saturday afternoon. While eating some delicious food from Peaden's restaurant, students listened and danced to the music of Sam Hudson and his friend's Acapella group. Then the rock band Prime Tyme played for a while. The volleyball tournament was finished up on Sunday after Garber and Weaver girls hattled it out in a powder-puff football game.

Alexandria watches her dad, George Lewis, play beach volleyball from her miniature RV.

Travis Hood, Eric Dorsey, and David Holmes dance to the music of Prime Tyme because "Sunny Days Are Here Again!"

Volleyball is one of the favorite summer recreations at Methodist. This student didn't jump quite high enough to make the block.

Chip Collins and Charlene Brophy pose for a picture as they wait for Peaden's barbeque to settle.

Even Jake the Snake can't compare to Brian Ebert and his scaly friend.

MISS METHODIST PAGEANT

The Student Activities Council chose a theme for the Miss Methodist pageant honoring the Summer Olympics to be held in Barcelona, Spain this summer. Student athletes carried the flags of many countries as they ushered in the eleven contestants competing for the title of Miss Methodist 1992.

Alice Armentrout, Miss Methodist 1986, returned to emcee the event. The contestants began the pageant as Olympic hopefuls in sports gear provided by Clarks Sporting Goods, then changed into casual wear, and finally into evening gowns. Full of energy and enthusiasm, the Methodist College Dance Team, Alice Armentrout, Dedra Tart, and Miss Pine Forest Junior High Kelly Carter performed special entertainment.

As the pageant neared the finale, Tiffany Allen received the Service Award for raising the most money for the pageant and Kim Weaver received the Spirit of Miss Methodist Award voted by the contestants.

With anticipation and anxiety in the air, Emcee Alice Armentrout announced the winners. Wendy Fulcher was the second runner-up to Dana Caulder, the first runner-up. The 1990 Miss Methodist Kim Rueda crowned Kim Weaver as the new queen.

Karen Rafferty sports her boxing gear, proving that she's a knock-out in more than one way.

The contestants speak up to introduce themselves to the judges and audience.

As students await their turn in expressing concerns about the abrupt policy change to a twelve-point grading scale, Dr. Collins explains that one major problem was perhaps the faculty's incorrect assumption that students were consulted before the drastic change.

The Student Government Association organizes the President's Forum in the Science Auditorium for students to express any concerns about the college. However, the overwhelming majority at the forum demand immediate answers about the unannounced grading policy change.

STUDENTS PROTEST

Students protest and

demonstrate after faculty

vote changes grading scale to

12-point.

Students are to remain under the requirements of their academic catalogues all four years. Upperclassmen and underclassmen are outraged that the change overrules their 4 pt. catalogues. Freshman Austin Gurney pledges his class's support in demanding answers.

Senior Elden Owsley gives fellow students his opinion of the fairness of the change and actions to take. Students are urged to speak to professors and community members in hopes of opening lines of communication between all concerned.

At the forum President Hendricks recognizes students' questions and explains that the faculty and administration think that the new scale will be a better guide for professors in evaluating students' progress.

The masses of students that arrive and protest are remarkable, but it is not enough to change the minds of the faculty. However, the spirit of solidarity still remains within the student body in their stand on the new grading policy.

As tensions rise, SGA President Kim Ratliff brings out many student concerns about the new grading policy. Most students are against grading scale and many of their opinions are voiced at meetings such as this.

AWARDS CEREMONY

The Awards Ceremony held each year in May honors students in many areas of college life. Various awards are funded in memory or honor of someone dear to the college like the education and religion awards. Students received awards ranging from savings bonds and scholarships to trophies and certificates.

SUMMER 1991

Academic dean advises students to choose their friends and work carefully.

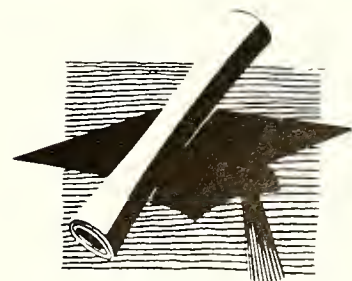

Summer graduates were advised to pick their friends and life's work carefully at their commencement August 28.

Dean Erik Bitterbaum told the 42 summer graduates that Abraham Lincoln demonstrated the true friendship — trust, and acceptance of others — in the face of bitter insults. As an example of good work, he cited the late scientist and teacher J. Henri Fabre, who endured a life of poverty to write science books and incurred the wrath of his peers by admitting females into his science classes.

Three foreign students in the summer class — Carole Grace Miller-Seda of Jamaica, Claudia Lucia Munevar of Columbia, and Chukwudi Edward Umerah of Nigeria — presented flags of their home countries to Dr. Hendricks.

Eight students were graduated with honors during Methodist's 18th summer commencement. Michelle Denise Mitchell, an ROTC cadet, was commissioned a second Lieutenant in the U.S. Army.

GRADUATION

In an address entitled "Welcome to the New World," the Reverend Wesley F. Brown, director of development and alumni affairs at Duke University Divinity School, gave 84 graduating seniors "one final assignment."

Reverend Brown, a 1973 graduate of Methodist, advised members of the winter class to: "savor what you have learned, discover a vocation, take care of yourself, cultivate faith in God, keep things in perspective, and be generous."

Dr. Elton M. Hendricks presented Reverend Brown with a Methodist College medallion in recognition of his distinguished service as a United Methodist preacher, teacher, and administrator.

Two ROTC cadets — Charles E. Jackson II and T. Doniell Garnett — took the Oath of Allegiance and were commissioned lieutenants in the U.S. Army.

Frank Steven Taylor, an honors graduate in history, received the second annual Sam Edwards Award, signifying his selection as the outstanding Evening College graduate of 1991.

WINTER 1991

Winter graduates are urged to make learning "an adventure for a lifetime."

GRADUATION

Below: The Methodist College Chorus provides beautiful music at the baccalaureate service. Degree candidates and their sponsors take the final and most important walk towards Reeves Auditorium.

Below: Chong Ho Yang is surrounded by well-wishers. Right: Seniors dedicate time capsule.

Americans must rediscover moral values if the American dream is to survive.

That was the message delivered to 144 graduating seniors at Methodist College May 17. Air Force Brigadier General John W. Handy, a 1966 graduate of Methodist, said the recent decline in moral values in America is the result of "value-free self-indulgence."

Gen Handy called on the graduating seniors to reclaim the American dream of democracy, peace and individual freedom by: 1) defending the ideal of liberty, 2) maintaining personal integrity, and claiming a new beginning. "Rebuilding of moral values must occur first in our hearts," he said.

During the baccalaureate sermon Sunday morning, the Rev. Kermit Braswell challenged members of the Class of '92 to be faithful to God and then to themselves by learning from the past, living each day to the fullest, and setting goals for the future.

College President Elton Hendricks presented the following honorary degrees: Doctor of Humanities to General Handy; and Doctor of Divinity to the Rev. Kermit Braswell, and Bishop C.P. Minnick, leaders in the North Carolina Conference of the United Methodist Church.

Three international students presented the college with flags of their native countries: Tasanee Boonnee Davis — Thailand, Annette G. Dunford — Denmark, and David Holmes — Great Britain.

Nine ROTC graduates took the Oath of Allegiance and were commissioned second lieutenants in the U.S. Army. They are: Brian M. Allin, Steven A. Deschamps, Walter M. Dixon, David J. Leach, Wesley F. MacMullen, Paul B. Mann, Curtis R. Pollock, Larry J. Waller, JoAnn Weary.

Katherine Grasso, a psychology and social work major from Fayetteville, was named recipient of the Lucius Stacy Weaver Award. Ms. Grasso graduated *summa cum laude* last December.

Members of the Class of '92 dedicated a time capsule immediately following the baccalaureate. The capsule was buried beneath the bell tower and will be reopened at Homecoming in 2007.

What did you
get out of
Methodist College?

Mary Creech:

Insight into the world.

Joann Weary:

Two kids, friends that I'll be loyal to forever, and \$20,000 in debt.

Pam Johnson:

I'll think about it.

Amanda Cook:

I used to be naïve, now I'm not.

Becky Younger:

A headache.

Jen Seamon:

I spent 4 years prostrate to the higher mind. Got my paper, now I'm free. (Borrowed from the Indigo Girls song: "Closer to Fine")

"JEANNIE, I'M SURE THE GUYS WENT **THIS** WAY," exclaims Pam Johnson at this fall's FCA Scavenger Hunt. Clues ranged from Bible verses to silly campus inside jokes and sent participants far and wide on campus, from the front gate to the amphitheatre to the baseball field. Winners and runners-up won "freebies" from many community businesses, including Fun! Fun! Fun!, Mountasia, the bowling alley across the street from the school, and the yogurt place next to Wal-mart.

SGA PRESIDENT KIM
RATLIFF SPEAKS OUT
AT STUDENT RALLY
BY THE FOUNTAIN
TO PROTEST THE
NEW GRADING
POLICY.

The new school year brought a new grading policy, which was coldly received by many students. The plus and minus system was instituted to allow professors to evaluate students more precisely.

Many students feared that the new grading policy would lower their GPA's, and offered such alternatives as a weighted A+ grade and a senior grandfather clause to the administration.

After much controversy and debate, a weighted A+ grade was added as a compromise.

Juniors! What a year. Some say that this year is the hardest year. For others it is the turning point with only one year to go. Our junior year is a hectic one, with deciding whether to go on to grad school or to get a job. Many decisions and lots of homework are all a part of the college experience.

FRESH . . .

Who are the freshmen? Look around, there are lots of us, more than any other class. Many of us find our spot in clubs, others in sports, and some of us make our very own spot. Regardless, freshmen are always the hands-down winners for havoc. Finally out of home and almost on our own, we are interesting people. No doubt.

WHAT TO DO

When we leave home to come to Methodist, we all have ideas about what college life is like: hard, demanding professors making our perfect papers bleed, roommates that let us eat their food, and new friends that invite us home. When we finally move in all of our belongings and settle in our rooms, we see that some of the ideas hold true and that there are more things to do than we have time for.

Since the main goal of coming to Methodist is to get an education, many of us go to the library at night to study and socialize. It's pretty nice to see familiar faces in the library, especially if they are in the same classes and know what's going on.

Others of us take advantage of the great opportunities to play sports and work very hard to

**So many things to do
on campus, but
where do we start?**

make the teams. Since we're freshmen, we have to work even harder to prove to the coaches we're capable of collegiate competition.

Our involvement in different clubs and organizations also occupy a lot of our time. We all probably agree that spending time with friends and meeting new people are some of the most memorable times we will share together in college. No matter what we're involved in, we'll make the most of every moment and enjoy life here!

Fred Ferguson and Junior Cathy Krause, both first year Methodist students listen carefully to instructions at the preliminary yearbook meeting.

The debate team is another growing organization, and attracts people who can think on their feet and speak in an organized manner. Rachel Juren reads IAC (her team's case) to set the grounds for the debate.

Some star athletes play more than one sport. After volleyball season is over, Michele Brown takes to the softball field. With perfect form, she hits the cover off of the ball and starts her trip around the bases.

The library becomes very familiar to us hopefully in our freshman year. Andrea Streitenberger saves herself from searching through mountains of indexes by using the new Pro Quest periodicals index.

For a little spending money, many of us work study on campus. Simone Young makes her wish before blowing out her birthday candle that Kim Honan and Mr. Billings gave her for being such an incredible employee at the News Bureau.

Even in the cold morning, the dedicated maintenance staff is up and keeps our campus looking meticulous.

Believe it or not, your coach sometimes can be your biggest cheerleader. The women's basketball coach, Mrs. Rita Wiggs, cheers on her players as Bob Case and Anne Uleman look on.

Political Science Professor Trevor Morris spares little time for his students to daydream.

DEPARTMENT HEADS

Traditionally, the department heads were not given recognition in the yearbook. This graduating class as well as the yearbook staff feel that the recognition of the roles played by the department heads are long overdue. So what do the department

heads do anyway? Well, besides giving recommendations and chatting with fellow staff, not much else come out of their 'brilliant' minds. Now really, the department heads are in charge of implementing and contributing ideas to improve their respective depart-

ments. They are the chief architects of educational excellence present in our college. Thus, we express our most humble gratitude toward these respectable educators. Thank you.

CLUBS AND

More than 30 clubs and organizations exist at Methodist College to allow students to develop their special interests and talents. (Right) Monarch Playmakers in rehearsal for Thornton Wilder's *The Skin of Our Teeth* (Below) ODK inducts Mr. A.B. Bryant of Fayetteville, a friend and supporter of the college.

ORGANIZATIONS

Students who get involved in clubs and organizations not only make new friends but also learn the value of teamwork. (Left) The cheerleaders cheer for the Monarch basketball team. (Below) Members of the Methodist College Stage Band in concert, l to r, Dr. Tony DeLapa, Paul-Edouard Domond, Pablo Gomez, J. Michael Rogers, Adam Hall, Alice Freeman Cashwell.

ACCOUNTING CLUB

Accounting Club members pictured are (From L to R) Heather Dean, William M. Richardson, Rose Powers, Sara Parrish, Melissa Mearns, Brian Cuppet, and Kimberly D. Brewington

The Accounting Club — under the direction of Mr. Richardson and Mr. Cooper — has had an extraordinary year. Not only have they been an active club as far as programs go — but they have also proven themselves to be pretty stiff competition. The club won a Cost Accounting Case Competition and are going to Atlanta to compete on a higher level. Over the year the club has had many guest speakers and has even visited some of the

local area businesses such as Kelly Springfield. Fund-raisers (bake sales, etc. . . .) have been held to help fund the trip to Atlanta, however, the club is also receiving some financial support from the Institute Management Accounting (IMA). The club is open to both Business and Accounting majors and is an excellent club for preparing students to enter the business world.

SMALL TALK

The Small Talk staff — (Back Row left to right) Tim Eshelman, Dwayne Smith, Antonio McGriff, and Dr. Michael Colnnesse — faculty advisor. (Middle Row left to right) Erik Kimbel, Fred Furguson, Sara Shew, Martine Lowry, Joy Godwin Kirpatrick, and Gil Un. (Front Row left to right) Catherine Hare, Diana Pressley, Jeannie Denman, Ann Morris, Tara Cashwell, and Sherrie James. (On laps) Caroline Kearns — Editor in Chief.

At Small Talk the year passed in a whirl. Six issues packed with news, interviews, features, cartoons, crosswords, hard-hitting editorials, and letters to the editor kept the campus humming. Caroline Kearns, editor-in-chief, directed a staff of productive student writers and photographers. Todd Pope served as Sports Editor, Katherine Grasso and Jeannie Denman as "Last Word" Editors, and Sarah Shew as Art Editor. Pam Phillips and Joy Goodwin managed advertising and business affairs. Campus minister Carrie Parrish contributed a column called "God Talk." There were several problems that seemed to keep popping up, such as the computer blues, that kept the faculty advisor — Dr. Colnnesse — pulling at his hair. However, he managed to squash a few juicy stories "for the good of the college," and caught flack for a few he let slide by.

STUDENT GOVERNMENT ASSOCIATION

The S.G.A. Senate above consists of (Left to Right — front row) Kimberly Ratliff, Austin Gurney, Tracy Manness, Billy Holbrook — (middle row) — Derriek Johnson, Abigail Findlay, Ben Dennis, Brian Ravenelle, Donna Combs — (back row) — Erie Green, Rob Foreman, Matt Melvin, Larry Waller, and Paul Wojeik.

SENATE

The Student Government Association (SGA) is composed of all full-and part-time students at Methodist. The association is governed by a constitution and directed by officers elected by the student body. The purpose of the S.G.A. is to represent the students to the college administration and design programs to meet the needs of the students. All students are encouraged to participate in the programs sponsored by the S.G.A. and to provide new ideas for implementation.

SCC

The Student Community Court is another branch of student government. The SCC shall consist of a Chief Justice elected by the student body and six Associate Justices who are appointed by the Student Senate. The Court hears cases dealing with reported violations and decides a course of action (ranging from written warning to removal from the residence halls).

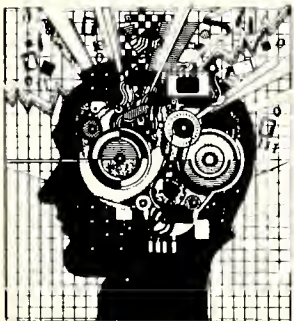

The Student Community Court above consists of (Left to Right) Adam Hall, David Leach, Tim Eschelman, Beth Berg, Malcolm Mebane, Tammy Murphy, and Rob Pilewski.

PSYCHOLOGY CLUB

The Psychology Club members pictured are as follows:
(from L to R) Michael Baush, Dr. Donald Lassiter,
Katherine Grasso, Charles Brown, Nina Chatman, Susan
Sanderson, Catherine Glass, James Morgan, and Dr. John
Campbell.

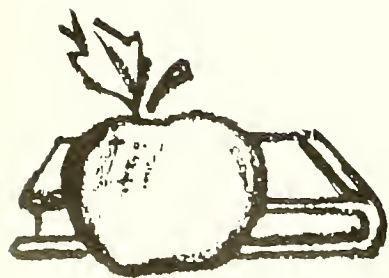

The Psychology Club is an organization that helps its
members to develop an understanding of what makes us all
tick. They study the behaviors of all life-forms and try to
theorize what makes their Characteristics emerge. The club
finances their activities by bake sales and other fund
raisers such as pictured above.

SEA

The SEA members pictured above are (Front to Back L to R) Tamara Tew, Donna Tout, Bonnie Adamson, Paula Smith, Melissa Horne, Jennifer Akers, Deborah Cooper, Dorian Droegge, Diane Pellegrini, Carol Bradshaw, Angela Bryant, Tammy Genthe, Deborah Masterson, Tara Averitte, Elden Owsley, Lori Walz, Jason Leinheiser, Kasey Weaver, Tanya Howell, Laurie-Anne Zipperer, Susan Fleak, Frances Wheeler, Charles Johnson, Marian Morgan, and Shane Gravitt.

The Student Education Association (SEA) is the Methodist College chapter of the Student North Carolina Association of Educators (SNCAE) and the National Education Association (NEA), the professional organization for teachers and educators. The organization is open to freshmen, sophomores, juniors, and seniors

planning to teach in any field or at any level; membership is affiliated with the state and national organizations, with access to all services (i.e., discounts). SEA provides programs of interest to students entering the teaching profession and opportunities for leadership and professional development.

SAC

Members of SAC are (sitting on floor) Austin Gurney (on couch Left to Right) Sandra Salinas, Kim Mohny, Danielle Genest, Danielle Miles, (sitting on back of couch) Rob Pilewski, (standing Left to Right) Dawn Thompson, Dan Maher, Brian Ravenelle, Chrissy Bobb, Sherri Wells, Traci Manness, Chris Ryan, (Back row) Rob Foreman, and Joe Myrtle.

The Student Activities Council (S.A.C.) is a branch of the S.G.A. that deals with the programming of special activities and events (e.g., comedians, magicians, concerts, mentalists) held on campus. Suggestions and participation are welcomed. This year the S.A.C. has brought some extraordinary talent and entertainment to our school. The activities planned by the Student Activities Council are usually held in the Lion's Den and are free of charge.

SIFE

(Left to Right) Melissa Mearns, Jay Olmacher, Ben Dennis, David Kline, Jr., and Dr. Donald Kline are the students and faculty that comprise the business-oriented club.

Students in Free Enterprise, inc. (SIFE) is a non-profit organization supported by individuals, foundations, and corporations. SIFE's purpose is to establish and direct student generated free market educational programs at colleges and universities — hoping

to bring a greater understanding and appreciation of the free enterprise system. This year's officers are; President — Ben H. Dennis, Vice President — Melissa Mearns, Secretary — Jary Olmacher, Treasurer — Don Kline, Jr., and Advisor — Dr. Don Kline.

SCEC

In this picture a member dressed up as a dragon helps entertain the children at the Kiddie Carnival — the principal fundraiser for the SCEC.

The Student Council for Exceptional Children (SCEC) is an organization of people going into special education. The club holds events and does projects to help its members develop an understanding for the people they will serve. This club does an excellent job of preparing its members for the after-graduate world and gives them hands on experience in their career choice. The organization also has fun raisers such as the Harvest Festival (or Kiddie Carnival) in order to send delegates to state meetings. The club also uses its funds to contribute to worthy causes — such as making Methodist College accessible to the handicapped. It is evident that the students in this club are very concerned and special people who have shown a lot of motivation in their works thus far.

Alpha Psi Omega

Members of Alpha Psi Omega pictured are (on floor) Jeannie Denman, (kneeling Left to Right) Nona Fisher, Lorie Sanuita, Jennifer Seymon, (standing Left to Right) Caroline Kearns, Chris Laning, Dr. Jack Peyrouse, Brian Smallwood, and Mr. Paul Wilson.

Omicron Mu is the Methodist College chapter of the national theatre fraternity. It is an organization of participants who have given a great deal to the theatre program here — both on and off the stage. Only

those with a great deal of experience are eligible to be invited to membership. Methodist has a very strong theatre department with a lot of students involved on a regular basis.

CLC

The Christian Life Council (CLC) is the umbrella organization for religious life on campus. The organization is racially and gender inclusive and includes members of all faiths. The Christian Life Council plans and implements programs for religious enrichment.

FCA

The Fellowship of Christian Athletes (FCA) is a national organization. The club is open to the entire campus community. The FCA club is famous for its scavenger hunts and crazy activities. All fun aside though, the FCA club reaches its goal of strengthening the Christian lives of its many members. Discussion are held to debate different issues and broaden horizons involving religious interpretations and moral standpoints. The FCA club is a very active organization which is advised by campus pastor Carrie Parrish.

Phi Sigma Iota

These new inductees in PSI are (From L to R) Mercedes Harris, Jennifer Weyandt, Melody West, Luz Puerto, Thomas Henir, Tracy Lowdermilk, Doris Wochner-McVey, Amanda Cook, Charles Gossage, and Cathy Griffith.

Foreign Language Honor Society

Phi Sigma Iota honors juniors and undergraduate students of foreign languages who have at least a B average in their entire college work and in all foreign language courses, have completed at least one course at the third year level, and rank in the highest 35% of their class in general scholarship. The purpose of this honor society is stated in the motto: "To understand others is to understand oneself, one's culture, and one's heritage." The goal is to foster the learning of foreign languages as a means of achieving a better understanding among individuals and nations. Phi Sigma Iota awards scholarships, fellowships, and grants to deserving, ambitious young undergraduate and graduate students, as well as faculty, to complete scholarly programs in foreign languages, literatures, and cultures.

Here are the old and new members of Phi Sigma Iota.

Tapestry

Here the Tapestry editor (left) Cathy Griffith and the Advisor Dr. Michael Colonnese look over their work with grins of relief.

It was a busy year at Tapestry, the Methodist College Literary and Art magazine. Literary Editor, Cathy Griffith and Art Editors Joella Sanders and Miok Im selected some highly creative material provided by the

campus community. Lynda Beard, Dr. Perkins, and Ronnie Richardson provided technical support. Dr. Colonnese, Dr. Christian, Dr. Preslar, Mrs. Hinson and Mrs. Foti provided aesthetic guidance.

ODK

Omicron Delta Kappa (ODK) is a national leadership society. To qualify for membership, juniors and seniors must demonstrate exemplary character, scholarship and intelligence, service and leadership in campus life, good citizenship within the community, and dedication to democratic deals. Membership is also based on a person's activities in five areas: scholarship, athletics, student government, fine arts, and religious life. Students selected for the society are also required to meet a minimum grade point average. The members pictured above are (From L to R) Front Row — Carol Bradshaw, Dr. Linda Sue Barnes, Mr. A.B. Bryant, Caroline Kearns, Tracy Maness, Leigh Murray, Robert Pilewski, and Kimberly Ratliff. Back Row — Dr. William Lowdermilk, Amanda Cook, Pamela Johnson, Mr. R. Parker Wilson, Dr. M. Elton Hendricks, Ms. Sheila Yates-Tanouye, Christopher Ryan, Traci Wilson, Dr. Garland Knott, and Ms. Nona D. Fisher.

Alpha Chi

Here some of the inductees are in the chapel going through the induction ceremony.

Alpha Chi is a National Honorary Scholastic Fraternity chartered in 1922. The North Carolina Mu Chapter was installed on October 8, 1976. Membership is limited to the top 3% of the junior class and the top 5% of the senior class. Members that were inducted Monday, April 13, 1992 were: Christine L. Babb, Patricia A. Blais, Kenneth R. Blankenship, Michelle Brauch, Patrick F. Gibney, Brian Douglas Cuppett, Adam R. Hall, Rhonda Smith Hall, Melinda K. Harden, Mercedes Moras Harris, Tracy Lee Maness, Ann E. Morris, Tammy Murphy, Sara Parrish, F. Steve Taylor, Rebecca Younger, and Frances Lu Wheeler. At graduation these members will be distinguished by a sapphire blue and emerald green cord and tassel.

Circuit Players

In this picture the Circuit Players are dressed up like fairy tale characters at a performance in front of Reeves Auditorium for the Kiddie Carnival.

In this scene Nicole DeKoning and Chris Laning are two college students and Brian Smallwood and Amy Currie play their consciences. A funny moment to say the least.

The Circuit Players touring group is in its seventh year of providing theatrical entertainment for educational and church organizations. Throughout the academic year, these talented students tour within the state offering an entertaining, educational, and motivational experience for youth and adults alike. Under the organizational direction of Dr. Jack Peyrouse, the touring company offers two productions a season. Previous tours included *Everyman*, *The Exorcism of Pride*, *A Funny Thing Happened to Me on My Way through the Bible*, *Through the Eyes of Clowns*, *The Passion Pantomime*, *Unless the Seed Falls*, *Riders to the Sea*, and *Scruples at the Improv*. The subject for the upcoming year's tour has not yet been decided. However, the company is hoping to spread its wings and go on international tour if the funds can be raised.

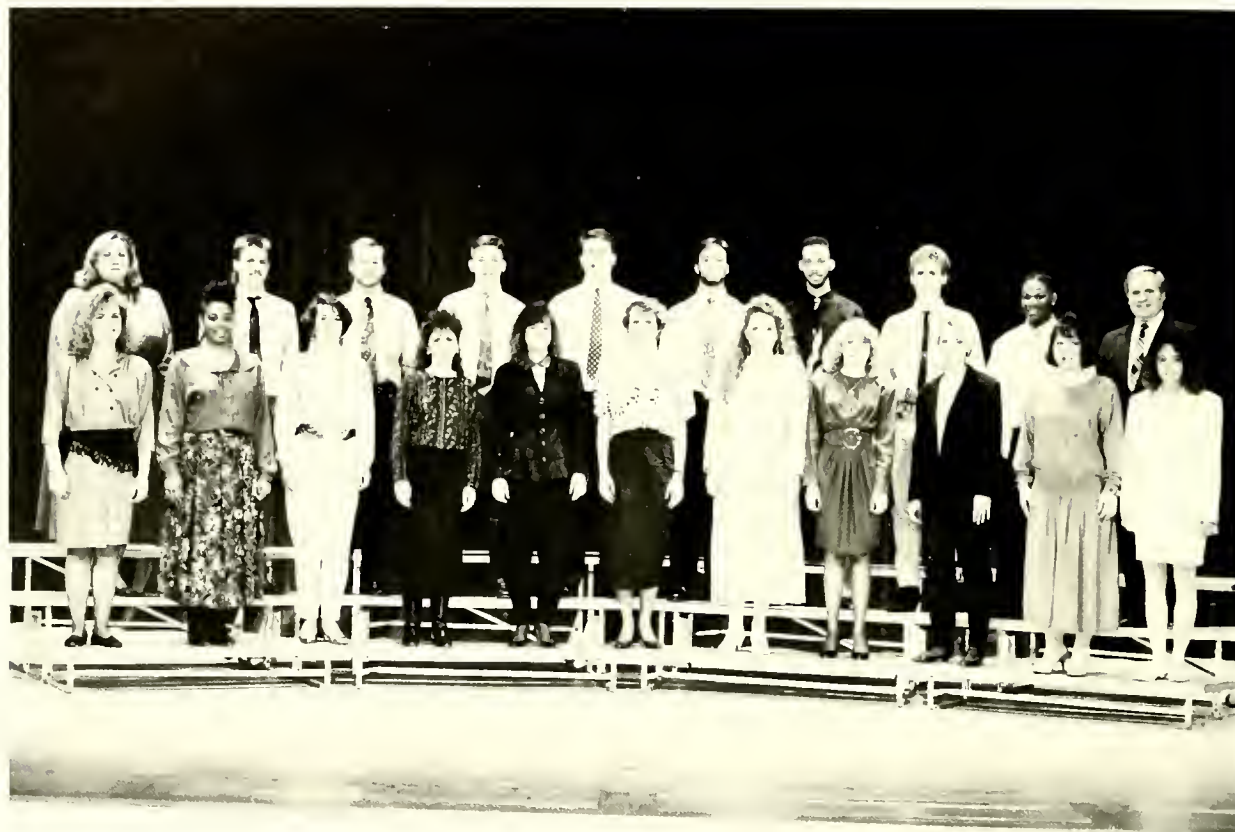

Political Science and History Club

The Political Science and History Club consists of Allison Collier (Public Relations Officer), Ramona Santos (President), Alisha Morrison (Past President), Arvadia Pittman (Treasurer), Paul Wojcik (Vice-President). The club is dedicated to raising the political awareness of Methodist College. In the past year they have had such speakers as Ambassador Samuel Lupo, and candidate for N.C. Senate C.R. Edwards. They have also covered the primary election, and sponsored a voter registration drive. The event that was met with the most enthusiasm was the first annual trip to Washington, D.C. where the club visited all the monuments (in one day!), visited Charlie Rose's office, and took in Georgetown at night.

Methodist College Chorus

The Chorus members are (front row Left to Right) Dawn Clark, Deidra Vandervort, Sherri Wells, Andrea Schmaltz, Wyndee Owens, Mary Anderson, Dena Briggs, Bethany Surridge, Kandice Klarenbeek, Alice Cashwell, Kim Weaver, (Back L to R) Hollie Lacy, David Teague, Freddy Wright, Bryan Wright, Jason Britt, Louis Seymour, Brook McNeill, Cannon Starnes, Michael Graham, and Alan Porter.

The Methodist College Chorus is a select group of twenty-six individuals chosen by audition for their personality, moral character, and leadership qualities, as well as for their exceptional talent in music. It is well known for its spirited rendition of many types of music. Past programs have included a country music medley with contemporary and popular

selections, as well as standard classical repertoire. Frequent tours of the eastern seaboard have taken the chorus as far north as Connecticut and to Florida three times. They are in constant demand at churches, civic clubs, military installations, conferences, and rallies throughout eastern North Carolina.

Monarch Quartet

Members of the Monarch Quartet are (From L to R) Cannon Starnes, Deidra Vandervort, Dena Briggs, and Freddy Wright — with Hollie Lacy as pianist. (Below L to R) Members of the Rainbow's End are Bryan Wright, Bethany Surridge, Louis Seymour, and Dawn Clark — with Wyndee Owen at the piano.

The Monarch Quartet is one of the most popular performing groups in the Fayetteville area. They travel throughout eastern North Carolina singing for churches, schools and civic organizations and are enthusiastically received wherever they appear. Their repertoire includes a wide variety of styles, but

their specialty is light, secular music of a wholesome nature. This years repertoire includes such popular numbers as "The Birth of the Blues," "The Rainbow Connection," "Carolina in the Mornin'," and a medley of Cole Porter songs.

The Rainbow's End

Like the Monarch Quartet, The Rainbow's End is one of the most popular performing groups in the Fayetteville area. They have also done extensive travel throughout North Carolina and beyond sharing their wonderful talent with church and social groups. It is an honor to see either of these groups perform and their performance schedules may be obtained by contacting Mr. Alan Porter — head of the music department.

DEBATE

The Methodist College Debate Team has had an extraordinary year. Considering that this is the college's third year having a debate team and the second year in the circuit the performance of Eric Kimbel and Rachel Juren has been superb. Eric Kimbel is the captain of the debate team. He is also the founder of Debate at Methodist College. Because of Eric's hard work and dedication, not only does Methodist have a growing team, but it also is offering scholarships to freshmen entering debate. Eric and Rachel have traveled all over this year from tournament to tournament. Most tournaments are held on the weekends. This posed a problem for the teams coach — Dr. John Sill — who is a minister. Dr. Sill, however, managed to make the time for the debate team and led us to victory many times. Debate is a mental sport in which teams of two are put against each other to argue an issue, provide evidence to support their stand, and think quickly on their feet to refute the other teams answers. It is an excellent activity for prelaw students because all of the issues in debate are law based. The Methodist College Debate team had two late comers this year — Derrick Johnson and Fred Furgeson. Both of these students attended debates and debated in tournaments. Although they were late, they still offered a lot to the team and will hopefully return next year.

Eric and Rachel are both very serious about Debate. They even share some of the same characteristics — such as biting their lips while concentrating (above). At right — Rachel takes her turn to speak and support the arguments of her partner.

College Bowl

This year, the College Bowl team received first place in the Elon College Invitational and placed seventh among twenty-two schools in the Region Five tournament at Virginia Tech. The varsity team members for 1991-1992 were Cathy Griffith, captain, Stephen Fann, Martin Brack, Ann Morris, Michael Stone, Terry Lydick, Jeannie Denman, Chris Laning, Bryan May, alternate, and Jennifer Seamon, alternate. Their coach was Dr. R. Wayne Preslar.

The football program continued to mature in its third season. An opening day victory over Charleston Southern University gave the Monarchs a long awaited first win. The victory was sparked by a 95 yard kick-off return on the opening kick-off and nine Charleston turnovers.

A 22 yard Jeff Alton field goal capped a second half come from behind victory against Davidson College, in the game's final minute. The Monarchs dominated the second half of play. The offense continually drove the ball into Davidson territory, as the defense surrendered only one first down.

Team leaders for the 2-8 Monarchs were: Jhaval Cain (rushing), Matt Baldwin (passing), Cedric Wright (receiving), Eric Stang (punting), James Brown (tackles, interceptions and pass break-ups), Rick Foutz (sacks and tackles for a loss) and Jeff Alton (kicking and scoring). Other key players were Stacy Reeves, Tim Shaw and Rich Pope.

The fall 1991 season was difficult but rewarding for the women's soccer team. After five consecutive NCAA Division III playoff appearances and three consecutive trips to the semifinals, the team struggled through a 9-8-1 season.

The graduation of four starters, two of whom were All-American, and the loss of three other starters due to early season knee injuries forced the team to make many adjustments on the field in search of scoring punch. Even with the difficult season, this team won the Dixie Intercollegiate Conference Championship for the sixth consecutive year with an impressive victory over North Carolina Wesleyan, 1-0, in the final game of the season.

The men's soccer team achieved several milestones for the program in 1991. With the most wins ever in a season, their 16-1-3 record captured the school's third consecutive Dixie Conference championship and second consecutive NCAA tournament bid. The team's regular season record of

15-0-3 marked the first time that a Methodist College team has gone through the entire regular season undefeated.

There #1 regional ranking and #3 national ranking were the highest ever for a Methodist team. The Monarchs quest for a national title ended in the regional final, however the 1991 campaign was the most successful ever.

Individual honors included 9 Monarch players being named All-American.

A new beginning — together — was the cry for the 1991 volleyball squad. Under second year head coach, Karen Smith, the Lady Monarchs posted a marked improvement over last year's squad. Highlights included beating conference powerhouse Greensboro College, placing fourth in the Gallaudet University Volleyball Invitational and winning the Methodist Invitational. Throughout the regular season, the Monarchs were in contention for the season title, but fell just short of that to second place. The squad also played well at the conference tournament, taking second place after a four plus hour day of playing.

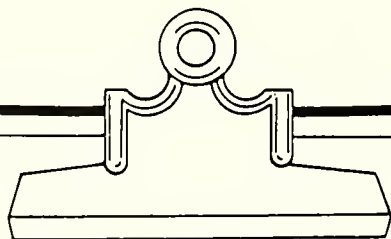

Senior Joann Weary took First Team All-Conference honors while Second Team recipients included senior middle hitter, Lorie Sanuita and Freshman setter, Kim Miller. Freshmen Michele Brown and Miller were named to the All-Tournament Team while Coach Smith was honored with the Coach of the Year award.

The 1991-92 Monarch Cheerleading team came out in full force this season. Under the direction of Head Coach Greg Rumsey and Assistant Rickey Hill, the 21 member team led the crowd during football and basketball season, conducted clinics, and performed exhibitions throughout the year. It was a long season that consisted of long practices and hard work. The hard work paid off in awards this year with a 2nd place trophy at College Cheerleading Camp, 2nd place in the DIAC Cheerleading Competition, a National Dance Team ranking, and a bid to compete in the Universal Cheerleaders Association College Cheerleading Championships in San Antonio, Texas. The Monarchs were chosen from a field of over 70 teams in Division II, III, NAIA, and Jr. Colleges. The team placed 5th in Division II and were the only Division III team in the competition.

BASKETBALL

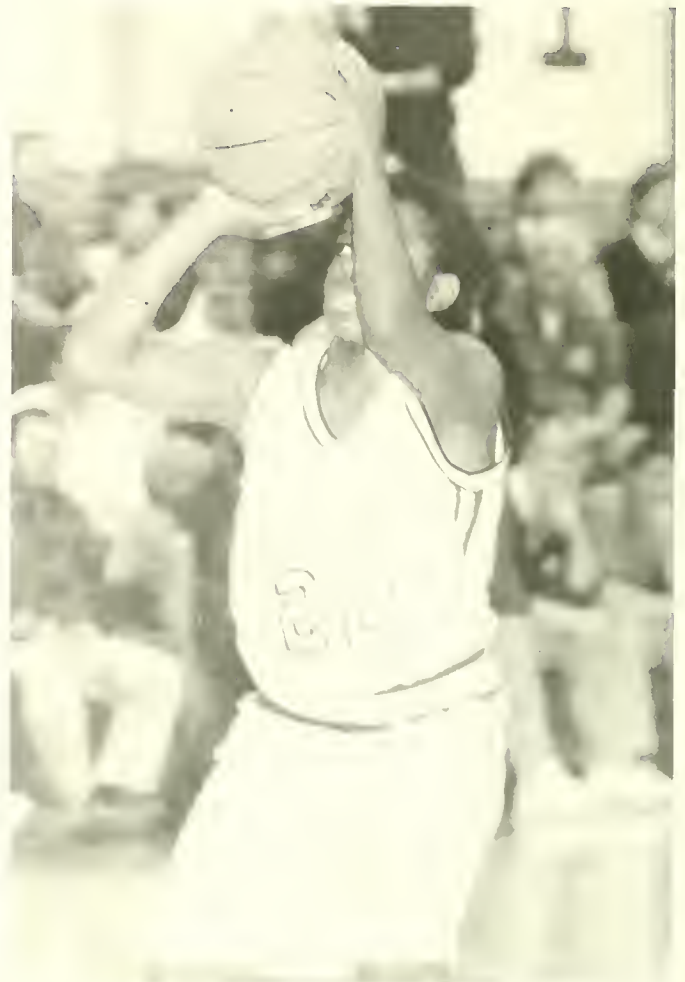

The 1991-92 women's basketball season was the most successful one in the history of Methodist College as the Lady Monarchs finished with a 22-6 record and the DIAC Tournament Championship. It was a season of "firsts" and records for this team — the first 20-game winning season; the first win in the Dixie Conference Tournament; the first time a Lady Monarch has made the first team All-Conference or All-Tournament teams; and the first DIAC Tournament Championship. The season began with eight consecutive wins and ended with eight victories down the final stretch. Junior Daphne Akridge was first team All-Conference and sophomore Roxanne Cannaday was second team. Freshman Novella McMillan was the Tournament MVP, with Monarchs Angie Garner and Roxanne Cannaday joining her on the All-Tournament team. The team viewbook sported an "In the Market for a Championship" motto and the Lady Monarchs fulfilled this prophecy.

The Methodist College men's basketball team struggled through a disappointing season. The Monarchs dropped their first round Dixie Intercollegiate Conference tournament game against Averett College 77-75, ending the season with an overall record of 8-18.

James Wear, a senior, was named to the Second Team All-Conference squad for the second consecutive year. Wear averaged 18.6 points per game. Senior Erick Hunt averaged 15.2 points per game along with 4.5 assists. Randy Martin played the post well this season averaging 7.4 rebounds per outing and 13.5 points per game. Jason Leinheiser led the team in assists, averaging 6.5 per contest.

The men's tennis team had another fine year finishing with a 17-5 record and winning the Dixie Conference for the second straight year.

Jeff Hawes was voted team MVP for the third time, Chip Collins, Chris Collins, Jeff Daves, Mark Fuber, Jonathan Terry, and Matt Hill were named All-Conference. Coach Pete Kendall was named DIAC coach of the year for the second consecutive year.

The team finished ranked 3rd in the South Atlantic region with Chip and Chris Collins ranked 7th and 10th respectively in singles, and 1st in doubles.

The Collins twins also participated in the Division III national tournament in both singles and doubles.

The Methodist College softball team continued its' winning tradition in the Dixie during the spring of 1992. With only three returners from the 1990 championship squad, the road to the title was bound to be bumpy, and it was. Inexperience was offset by communication and true team-men-ship. The Monarchs split with Division I and II teams, while taking a top 10 nationally ranked Division III squad to eleven innings. The Highlight of the year was the three-peat of the Dixie Tournament Championship. After dropping the first of three games to number one-seed Christopher Newport, the women redirected their goal and through a total team effort retained the title.

All Conference First Team Honors went to senior — Linder Smith, senior — Becky Younger, sophomore — Melissa Furr, and Freshman — Michelle Brown. Younger was also named Co-Player of the Year while Coach Smith was awarded the Co-Coach of the Year honor. The All-Tournament squad included senior — Lorie Sanuita, senior — Becky Younger, sophomore — Roxanne Cannaday, sophomore — Wendy Copeland, sophomore — Melissa Furr, and freshman — Kerry Oliastro. Becky Younger was also named the Most Valuable Player for the 92 Tournament.

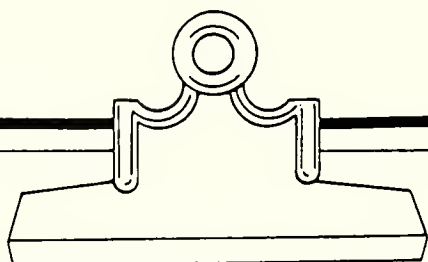

Michelle, lift up your cap so you can see where your going!

The size of the team has grown this spring but inexperience could be a factor in the team's success. Brett Dietrich is the team's lone returner in the 3000m Steeple Chase. Freshman Brian Shuren (Pole Vault) and Jamelle Ushery (110 Meter High Hurdles) have already set new school records. Other promising freshmen are Stevie Allen (High Jump and Triple Jump), Jhaval Cain (Sprints), Derrick Johnson (Shot and Discus) and Jack Pugh (Discus).

Upperclassmen who could be surprises at the outdoor conference meet include Jay Hayley (Sprints and Long Jump), Mark Gleason (400m), Tim Shaw (Shot Put), Jon Garner (Middle Distance) and John Bufalari (Discus).

The women's team is led by Junior College transfer Cathy Krause (Shot Put and Discus), Abigail Findlay (Middle Distance), Patty Strahan (Shot Put and Discus), and Sharon Archer (High Jump) and Simone Young (High Jump, Triple Jump, and 400m). Although the team is small in numbers, each individual should be in competition to earn All-Conference Honors.

BASEBALL

The Monarchs started the season 0-4, but finished 2nd in the Dixie Conference and then came roaring out of the loser's bracket to win the South Regional Championship for the second straight year. They defeated No. 2 Ferrum (14-3, 8-4) twice to earn another trip to the College World Series.

Methodist opened the Series in Battle Creek, Michigan by defeating No. 4 Wisconsin Osh-Kosh 6-3. Next they defeated No. 1 California Lutheran 4-2. Cal Lutheran ended MC's dreams of a national championship by beating the Monarchs 7-4 and 2-0. The Monarchs' 3rd place finish was the best ever in school history and the team finished with an outstanding record of 35-13. Coach Tom Austin experienced his 400th win as head coach.

Seniors Mike Rohr, Trey Bostick, Greg Cox, Mackie Register and Todd Pope led MC on and off the field. Bostick and Rohr were named All Americans, with Rohr being named MVP of the South Regional. Chris Horton, Brandon Bridgers, Joe Myrtle, Register and Rohr were named to the NCAA South All Tournament team. Rohr and Myrtle were also named All Dixie Conference, while Myrtle made the World Series All Tournament team.

Statistically Trey Bostick led the nation and team in RBI's with 61. Mike Rohr (14-1) won the second most games by a pitcher in MC history. Brian Ford set a school record for strikeouts in a single season with 124.

The women's golf team once again repeated as NGCA Division III National Champions.

Junior Allyson Greer took medalist honors in the tournament, as well as MVP for the season. Greer was ranked #1 in the Nation along with two freshmen, Elizabeth Horton and Kelly Cap, who were ranked #2 and #3 respectively in Division III. All three have earned All-American honors. Greer and Horton were also invited to participate in the NCAA Division I Nationals at Arizona State's course in Tempe, Arizona.

Other team members that had contributed greatly to the season are Senior Sara Beechey, Juniors Stacey McTigue and Christie Smith, and Freshman Marlea Jaynes.

Men's Golf

The 1991-92 men's golf team achieved its goal, which was to complete the "three-peat" by winning the NCAA Division III National Championship for the third consecutive year. The team also defended its title at the prestigious Gordin Classic in Myrtle Beach, SC, as well as winning the Kings Mill/William and Mary Invitational and the Emory University Spring Invitational.

Three Monarch golfers — Rob Pilewski, Dave Jukes, and Bill Anderson — received All-American and All-District honors with Bill Anderson making the All-Conference team. Rob Pilewski became the first four-time All-American golfer at Methodist College and was selected to represent the United States in the U.S.A./Japan Collegiate Matches in Tokyo Japan.

Next year's team will have its hands full trying to win a fourth consecutive national title, but will get a boost with four players returning from this year's team.

Methodist's First — four-time Golf All-American and Captain Rob Pilewski was the only NCAA Division III golfer selected to play in the USA/Japan College Matches held June 10-12 in Tokyo.

LAYING THE FOUNDATION

1958: Work crews begin the arduous task of constructing the classroom building, now known as Trustees', which has housed classes from the beginning of Methodist College history.

OUTDOORS ISN'T JUST FOR SPORTS
1969: The addition of the O'Hanlon Amphitheatre provided another forum for college and community dramas, concerts, and social events.

JUST THE BEGINNING

1960: The campus in 1960 seems bare, as several "standard" structures such as the bell tower, Chapel, and Administration Building weren't yet built.

"BORN TO RUN"

1978: Track stars no longer need to run dirty laps. Now they have a track on which to practice.

BEGINNINGS

Dreams become reality.

THE MAN WITH A PLAN
1964: Dr. L. Stacy Weaver, the first president of MC, reviews the plans for the new library, which was formerly housed in the classroom building.

BREAKING NEW GROUND
1958: On Tuesday, August 26, 1958 Bishop Paul Garber broke the ground on which Methodist College now stands.

BEFORE THE GAS LINES
 1964: Methodist College students carry their own weight plus a little extra as they help move books from the old library facility in the classroom building into the new library.

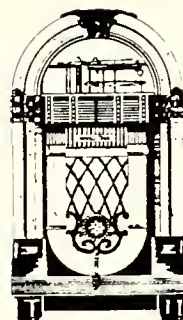

"CALIFORNIA DREAMIN' "
 1965: Donna Aldridge, Miss Carillon relaxes and thinks of the beaches at home in sunny California.

HOLY PLAID SHIRTS, BATMAN!
 1966: Students came out in full force to enjoy themselves at a residence hall "mixer" and to show off their new plaid shirts. This dance was held outside Garber Hall.

"GOD SAVE THE QUEEN!"
 Year: Behold the first May Queen in all of her 60's splendor.

SO THIS WAS THE LIBRARY?
1963: The college's original library was located in the basement of the classroom building. Today, this room is known as the Teaching Materials Center.

HAND IN HAND AND CHEEK TO CHEEK
1966: MC started a new tradition here: Homecoming. Here, members of the first homecoming court share the "first dance" with their escorts.

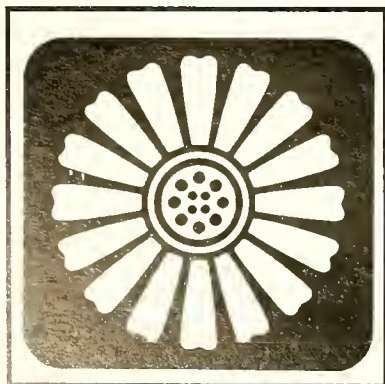

CHILLIN' BY THE UNION
1979: Students on their way to class take time out to pose for a photo.

LOOKING FOR A DATE?
1978: Contestants in the Ms. Monarch Pageant strut their stuff. The contest featured campus men attempting to portray the fairer sex in a beauty contest.

THE 1970'S

More than War.

As Vietnam calmed, disco and country music became popular, and people rushed to see **Animal House** and **Rocky Horror Picture Show**, now cult classics.

“... AND A HOMECOMING QUEEN”

1970: Vicki Barefoot is crowned Methodist College's first Homecoming Queen of the decade.

OLD UNFAITHFUL

1970: This original fountain proved to be less than dependable. In the late 1970's, it was filled in. The fountain we know today was completed in 1987 and re-worked only this year.

“... NOW THAT I CAN DANCE”

1973: Students put on their best bow-ties and dresses to attend a dance.

SPRING FLING-ING

1974: Students gather outside to enjoy the warmth of spring. Some things will never change.

LIGHTS, CAMERA, ACTION!

1973: Chet Makowski, Class of '73, runs the lightboard for one of MC's outstanding productions.

MAY I HAVE THIS DANCE?
1967: Pre-hippy fashions included crew
cus, white jackets, small ties, and pastel
dresses with shoes dyed to match.

SPRING CORONATION
1969: The crowning of the 1969 May
Queen kicked off the Summer of Love
with style. But these girls don't seem
dressed for Woodstock.

**"THESE BOOTS ARE MADE FOR
WALKIN' "**
1970: Short skirts, leather jackets, and
go-go boots were the rage in fashion this
year.

SENIOR FASHIONPLATE
1974: Linda Allvord, class of '75, poses
on campus in the year's fashionable
plaid pants and white sweater.

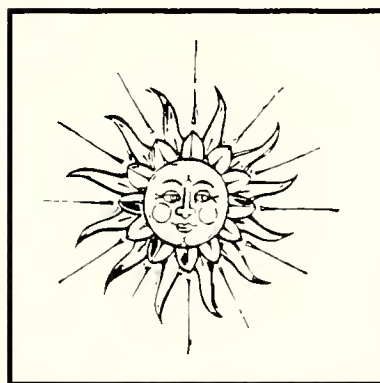

**NOW THAT'S A FASHION STATE-
MENT!**
Year: This Miss Boiler Plant contestant
reveals all in the dressing room.

FASHIONS

Express Yourself: FADS

1972: "Oh say can you see my eyes? If you can then my hair's too short . . ."
— HAIR

IS THIS THE CAST OF HAIRSPRAY?
1968: No, they're just MC students.
Check out the hairstyles!

WHAT (A) FORM!
1978: Junior Kurt Clack practices his forehand stroke. Notice his shirt — there was once Greek life on campus.

BEYOND THE HORIZON
1986: Actors from MC's production of the Eugene O'Neill play pose for a picture.

HOW ABOUT A GAME OF CHESS?
1974: No one ever said that 70's fashions were classics. But look out — they're coming back!

TENNIS ANYONE?
Today's tennis team is glad that their uniforms don't look like this, even though they do wear field hockey skirts.

. . . AND MORE FADS.

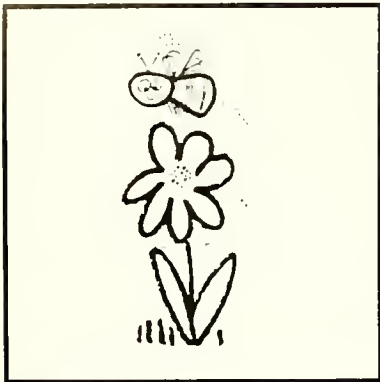

TIMES ARE CHANGING . . . THANK GOODNESS!
1974: The mid-70's were marked by big bow-ties, butterfly collars, and lots of ruffles.

A TOUCH OF CLASSICS
1979: Performers for *Brush up on Your Shakespeare* prove that some things never go out of style.

THE EIGHTIES

From free love to safe sex . . .

YMCA to NWA, the Bee-Gees to Boy George, KISS with make-up to KISS unmasked — the 80's will probably be known, however, for the emergence of the "Yuppie".

HERE SHE IS . . .

1985: Alice Patterson is crowned Miss Methodist, which should not be mistaken for being crowned Miss Boiler Plant or Ms. Monarch.

1987: Rahn Kersey and Rickey Hill practice a new technique for surviving an earthquake.

"... IN MY ITALIAN RESTAURANT"
 Year: Yes, this is the same cafeteria. There have, however, been a few changes since Mariott took over.

WHAT YELLOW CARD?
 1981: Registration always has been and always will be a hassle — some things DON'T change with the times.

ALL THE WORLD LOVES A CLOWN
 Year: Attention MC parents: this is what a college education can do to your children.

I'VE HEARD OF BEING SUPPORT-
 IVE . . .
 1981: The Methodist Cheerleaders are a pillar of strength for one another, can't you tell?

FINALS WEEK
 1986: This student is working harder on his tan than on his exams. As soon as the temperature rises, students come out of the woodwork to enjoy the sunshine.

... THE WAY IT IS

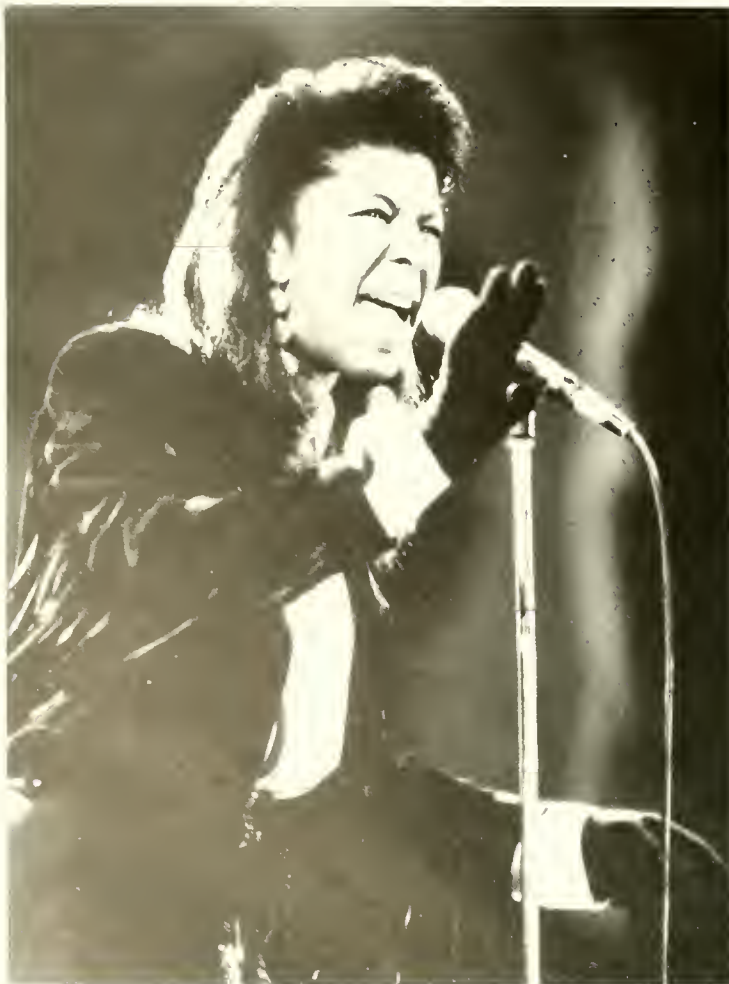

The early 90's have been a time of world transition: Germany has reunited (1990), the Soviet Union has dissolved (1992), and wars, revolutions, and general unrest continue in the Middle East. AIDS has emerged as a world-wide crisis, and the world economy struggles to get back on its feet.

During this election year, politicians promise the world, but in what condition? The flame of hope that burns in the young has not been extinguished.

As with every generation, today's idealists have proclaimed their causes. While some have chosen to pick up arms and fight for their country and for civil rights, others prefer to concentrate their efforts on peaceful relations and creating a healthier social and physical environment. Some have even donned the symbols of earlier peace movements, as is evident in the re-emergence of styles from the sixties and seventies.

Though in the music business for many years, *Bonnie Raitt* didn't hit the pop charts until her hit album *Luck of the Draw*. The album featured, among other hits, "Something to Talk About."

Natalie Cole, daughter of the late Nat "King" Cole, rose to the top with her album, *Unforgettable* on which she remade 22 songs that brought her father fame, including the title cut.

Arnold Schwarzenegger, body-builder turned superstar actor, was featured in the action-packed movie *Terminator 2*. With a tab of \$90 million, it was the most expensive film in cinema history.

In 1991 rock band *Extreme* released its 2nd album: *Extreme II — Pornograffitti*. While guitarist Nuno Bettencourt would deem "Get the Funk Out" the group's theme song, "More Than Words" and "Hole-Hearted" were the ones to race up the charts.

POST
WAR

K U W A I T

... the ravages of war ...

The coup in the Soviet Union began on 19 August 1991. An eight-man committee led by Vice President Genady Yanayev took power from President Mikhail S. Gorbachev. Yanayev said Gorbachev was ill. As Russian President Boris Yeltsin called on Russians to resist the coup, tanks and other military gear moved into Moscow.

On Tuesday, 20 August, US President George Bush was joined by the European Community and demanded

Gorbachev's return to power. Three of the new eight-man ruling committee were said to have stepped down.

On Wednesday, 21 August, the leaders of the coup were reported to have fled Moscow. Tanks and armored personnel carriers moved away from Russian parliament and leaders of the national legislature demanded that Gorbachev be returned to power. The Communist Party denounced the takeover.

On Thursday, 22 August, Gorbachev

returned to Moscow before dawn and reassumed power.

The coup may have ended communist rule in the Soviet Union, but it began a series of reforms and changes that will continue for years to come.

One of the biggest changes was in the Baltic states Estonia, Litvia, and Latvia. The three Baltic states — different in language, religion, and culture — declared their independence from the Soviet Union.

... soviet disunion ...

Freedom finally becomes reality for Terry Anderson. Anderson, a correspondent for Associated Press, was taken hostage in Lebanon in March 1985 and was released 2,454 days later in Dec. 1991.

After learning he had contracted the AIDS virus, Earvin "Magic" Johnson retired from the NBA, joins the National Commission on AIDS, and fulfills his personal dream for gold as a member of the "Dream Team" in the Summer Olympics.

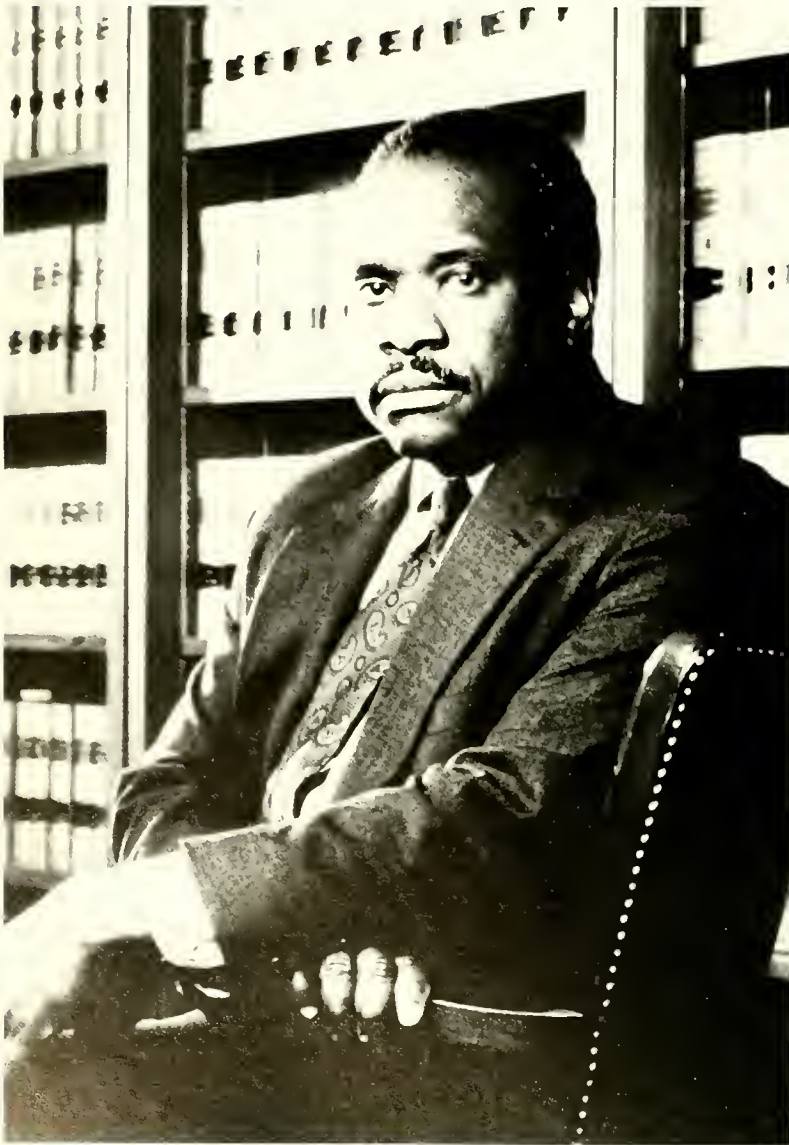

the retiring Justice Thurgood Marshall on the Supreme Court. Nearly three months later he was confirmed by the U.S. Senate with a vote of 52-48, but it was a tumultuous confirmation process. After a series of public hearings, the Senate Judiciary Committee split 7-7 on his nomination. Just days before the full Senate was to vote, some serious allegations of sexual harassment were raised.

President Bush nominated 43-year-old conservative Republican **Clarence Thomas** (pictured below left) to replace

Professor **Anita F. Hill** (pictured below right), a 35-year-old law professor from the Uni-

versity of Oklahoma and formerly Thomas's assistant at the E.E.O.C., claimed she was the victim of sexual harassment while she and Thomas worked together about ten years earlier. The Senate Committee reconvened and heard three days of riveting testimony from Thomas and Hill and a group of supporters from both sides. The full Senate then debated the issue and confirmed the appointment of the U.S. Appeals Court Judge to the nation's highest court.

... war between the sexes ...

With much concern about the state of the environment, international environmentalists rallied against the destruction of the **Brazilian rain forest** (pictured above). Due to thousands of square miles of the forest being cut down, environmentalists around the world have petitioned governments, held rallies, and led marches to stop the devastation.

Civil war broke out in Yugoslavia; Croatia and Slovenia declared independence in June of 1991. The six divergent republics were once held together under the leadership of President Tito, but his death in 1980, the crumbling of Communism throughout Eastern Europe, and the clamoring for democracy and ethnic self-determination set loose Yugoslavia's forces.

This year we grieve the loss of many well-known people who will be greatly missed.

Eric Carr, KISS drummer

Danny Thomas, actor best known for "Make Room for Daddy"

Sam Kinison, comedian

Theodore Geisel (Dr. Seuss), author of children's books

Graham Greene, author

Freddy Mercury, lead singer of Queen

Robert Reed, the "Brady Bunch" patriarch

Lyle Alzado, football player and speaker against the use of steroids

Just as these people are gone, several television shows have also left us.

The Golden Girls

The Cosby Show

Who's the Boss

Johnny Carson, Ed McMahon, and Doc Sevenson have also retired from the Tonight Show.

. . . pass it on . . .

Dan Marino, star quarterback of the Miami Dolphins, may not have won the Superbowl this year, but he still has reason to smile. The thirty-year-old superstar signed a \$25 million contract in the fall of 1991 to stay with the Dolphins.

. . . the flying bull . . .

Michael Jordan, the popular Chicago Bulls' star, amazed crowds with aeronautical displays on the court as he led the Bulls to an NBA championship in 1991. Here, he delivers a finger roll lay-up against the Houston Rockets.

... AND WE HAVEN'T FORGOTTEN RODNEY KING

Anyone who didn't hear about the 1990 beating of Rodney King

by Los Angeles Police officers must have been on a deserted island. In May of 1992, the six officers were found "not guilty" of

using excessive force during the incident.

Outraged by this seeming subversion of justice, some Rodney

King supporters rioted in major US cities, the worst of which were in Los Angeles and Atlanta

Also, the Olympics this year stand for hope and world peace for the future, for pure celebration of youth and fitness, and for "bonding" on a global basis. Peace to all.

Best Wishes to Graduates

Last Words from your Editors

BUT FINALLY . . . HALLELUJAH

Yes, we were stuck to the yearbook like bees to honey; but since you have it in hand we're now off the hook.

As editors, we've learned the importance of teamwork and how hard it is when you have to be the strongest link and bring it all together. We really appreciate the work done by our staffers Pat, Kelly, Jeannie, Freddy, Adriane, Cathy, Steve, "X," Lorie, and Patty. Nothing gets done by itself — many hours of hard work and patience are required.

Computers are life-savers, so are phones, and rooms in which to work, especially when they are all together. The room in downstairs Garber was our publications haven for many late

nights and we thank everyone who had a part in getting it and the equipment for us.

Life would have been unbearable had it not been for Mr. Billings and Kim Honan in the News Bureau, Mr. Clark for computer problems, and Sherry Overton who knows everything there is to know about this yearbook. Also, special thanks goes to Kelly for her dedication all the way through.

We are really proud of this book and hope you will cherish it as much as we will. Congrats to the Class of 1992 and best wishes for everyone.

Rachel and Amanda
